**LAS REJAS OPEN CLUB BENIDORM**

Las Rejas Benidorm is a nine-hole par three course. It is a more-than 50,000 m<sup>2</sup>-training academy that aims to make golf available to everyone.

It is an affordable, fun leisure pursuit provided to all residents of and visitors to Benidorm, in an excellent location, close to the Playa de Poniente and part of the town itself.

The course is quite flat, but there is some movement, with narrow fairways and strategically-placed tees and greens. This makes Las Rejas Benidorm ideal both as a golf academy and for experienced players who want to practice their short game, with its difficult precision shots.

**Golf Academy:**

- Private golf lessons.
- We process your Golf Federation Licence

**Equipment rental:**

- Set of clubs
- Single clubs
- Manual golf trolleys

Learn about two of the best Golf courses in the mediterranean

**MELIÁ VILLAITANA WELLNESS GOLF & BUSINESS RESORT**

The Hotel Meliá Villaitana Wellness Golf & Business Resort has two, 18-hole golf courses, both with the characteristic Nicklaus design.

- Villaitana Campo de Levante: Championship and par 72  
This American-styled course with wide fairways, exquisitely shaped greens and more than 6,617 metres in length has stunning views over the Mediterranean Sea and the Sierra de Finestrat.

Because the course is not part of an urban development you can play golf in completely natural surroundings with uninterrupted views of views of the Mediterranean mountains.

- Villaitana Campo de Levante: Championship and par 62  
The Poniente Course: executive and par 62 is 3,858 metres in length and is located on the hill side of a Mediterranean pine forest.

It is suitable for all types of players independent of their handicap, and although shorter it is still exciting.

It requires skill from short irons and is demanding for a player with a low handicap, although all holes offer alternatives for medium and high handicapped players.

Meliá Villaitana Golf Club has a clubhouse with terrace and sea views, cafeteria, Pro-shop, lounges and changing rooms and a golf practice range with superb facilities for the golf school, making it one of the best options for golfers on the Costa Blanca.

Benidorm

Benidorm

# Benidorm is in Alicante

in the heart of the Costa Blanca, one of the Mediterranean's leading destinations, with world recognised service standards.

Benidorm has five beautifully maintained city beaches lapped by crystal-clear waters which are warm enough for year-round bathing. There are three coves: Mal Pas, Tio Ximo, and two main beaches: Levante and Poniente.

Spectacular beaches, protected areas, festivals, nightlife and a magnificent hotel structure, make Benidorm a lively, fun, cosmopolitan city. More than 3,000 hours of sunshine and mild temperatures throughout the year, with something for everyone: relaxation, shopping, sports, health, excursions, adventure, cultural activities, popular festivals and an incredible range of culinary options.

Benidorm also has exciting attractions and theme parks such as Terra Mítica, Terra Natura, Aqualandia, Mundomar, Iberia Park and Aqua Natura.

Benidorm is an all-round destination, which offers numerous opportunities for sport and adventure activities on the land, in the sea and in the air.

Benidorm

Benidorm is an unbeatable location for professional golfers. You can be sure of superb weather and top-level facilities on the shores on the Mediterranean coast.

Both amateur and professional golfers will find everything they need to play this great sport, surrounded by nature.

The quality of the tourism sector in Benidorm is recognised internationally.

Play on courses suited to your ability, whether you are an amateur or an advanced player. These beautiful, top-quality courses are designed and equipped to host tournaments on the European and World competition circuit.
